CARICATURE PROMPTS

Imagine a larger-than-life caricature of a thrill-seeking roller coaster enthusiast, arms raised in triumph as they zoom down a gravity-defying track, their expression a mix of exhilaration and sheer terror

Imagine a humorous caricature of an overenthusiastic sports fan, dressed head-to-toe in team colors, their face painted with intricate designs, leading a crowd in exaggerated cheers and chants at a game

CARICATURE PROMPTS

Design a caricature of an eccentric pastry chef, wearing a tall, tiered hat, standing beside a tower of impossibly stacked cakes teetering on the edge, engaged in a comical game of dough-tossing, with a sprinkle of flour and sugar adding a touch of whimsy to their tousled hair
